

TERMS AND CONDITIONS

Part 1 Insuring Clause and The Policy

Insuring Clause

These Terms and Conditions together with the Benefit Schedule (including the Schedule of Surgical Procedures) and any related Supplement(s) as certified by the Government (hereafter "Terms and Benefits") apply to the following Certified Plan under the Voluntary Health Insurance Scheme (hereafter "VHIS") offered by the Company –

Type of the Certified Plan – "Flexi Plan"
Name of the Certified Plan – Manulife Supreme VHIS Flexi Plan

During the period of time these Terms and Benefits are in force, if the Insured Person suffers from a Disability, the Company shall pay the Eligible Expenses accordingly.

All benefits payable to the Policy Holder shall be on a reimbursement basis of the actual amounts of Eligible Expenses incurred and are subject to the maximum limits and cost-sharing arrangement (if any) as stated in these Terms and Benefits and the Policy Schedule.

The Policy

The Policy Holder and the Company agree that –

1. No alteration to these Terms and Benefits shall be valid unless it is made in accordance with these Terms and Conditions.
2. All statements made by or for the Insured Person in the Application shall be treated as representations and not warranties.
3. All information provided and all statements made by or for the Insured Person as required under this Policy and the Application shall be provided to the best of his knowledge and in his utmost good faith.
4. These Terms and Benefits come into force on the Policy Effective Date as specified in the Policy Schedule on the condition that the Policy Holder has paid the first premium in full.
5. At the inception of these Terms and Benefits and at each Renewal, in the event of any inconsistency between –
 - (a) the terms and benefits of this Policy; and
 - (b) the Standard Plan Terms and Benefits of such version as may be determined by the Government and is referred to in Sections 1 (a) to (c) of Part 4,

then –

- (i) so far as the scope of Standard Plan Terms and Benefits is concerned, the

terms and benefits which are more favourable to the Policy Holder or the Insured Person shall prevail to the extent of such inconsistency; and

- (ii) so far as the scope of Standard Plan Terms and Benefits is concerned, the terms and benefits which impose additional restrictions or limitations to the Policy Holder or the Insured Person shall become ineffective.

Both (i) and (ii) shall not apply to the exceptions in Section 7 of this Part 1, Sections 1(b) and 5 of Part 6 and any other exception as may be approved by the Government from time to time.

If the relevant terms and benefits in the Standard Plan Terms and Benefits prevail, such terms and benefits shall be deemed to be incorporated into these terms and benefits of this Policy. For the avoidance of doubt, the rights, powers, benefits or entitlements of the Policy Holder or the Insured Person under the terms and benefits of this Policy shall not be less favourable than those under the Standard Plan Terms and Benefits (had it been issued to the Policy Holder in respect of the Insured Person), save for the exceptions in Section 7 of this Part 1, Sections 1(b) and 5 of Part 6 and any other exception as may be approved by the Government from time to time.

6. At the inception of these Terms and Benefits and at each Renewal, if this Policy covers any benefits that exceed the Standard Plan Terms and Benefits and the terms and benefits applicable to such benefits differ from the terms and benefits applicable to the Standard Plan Terms and Benefits, the difference shall not amount to an inconsistency contemplated under Section 5 of this Part 1.
7. At the time these Terms and Benefits are first issued, the Company may apply Case-based Exclusion(s) due to a Pre-existing Condition or other factor that affects the insurability of the Insured Person notified to the Company in the Application.
8. The Company acknowledges that, as part of the underwriting process, it is the obligation of the Company to ask the Policy Holder and the Insured Person in the Application all requisite information for the Company to make the underwriting decision. If the Company requires the Policy Holder and/or the Insured Person to disclose any updates of or changes to such requisite information after the time of submission of Application and before the Policy Issuance Date or the Policy Effective Date (whichever is the earlier), the Company must make such a request prominently to the Policy Holder and the Insured Person (including without limitation in the application form), in which case the Policy Holder and/or the Insured Person shall have the obligation to inform the Company on such updates and changes. Each of the Policy Holder and the Insured Person shall have the obligation to respond to the questions, and to disclose such material facts as requested in the questions. The Company agrees that if any such questions are not included in the Application, the Company shall be deemed to have waived the disclosure obligation of the Policy Holder and the Insured Person in respect of the information that was not requested.
9. All questions and required information included in the Application must be sufficiently specific and unambiguous, and consistent with the rules and regulations of the VHIS, so as to allow the Policy Holder and the Insured Person (as the case may be) to understand the information being requested and to provide clear and unequivocal responses. In case of dispute, the burden of proving that the questions are sufficiently specific and unambiguous shall rest with the Company.

The content on this page is part of the Terms and Benefits of Certified Plan (No. F00041).

10. If the Policy Holder or the Insured Person fails to make the relevant disclosures under Section 8 or 9 of this Part 1, and such failure has materially affected the underwriting decision of the Company, the Company shall have the right as provided in Sections 13 and 14 of Part 2.

Part 2 General Conditions

- (a) Throughout these Terms and Benefits, where the context so requires, words embodying the masculine gender shall include the feminine gender, and words indicating the singular case shall include the plural and vice-versa.

So far as the same benefit coverage is concerned, any inconsistency in terms and amounts of benefits within this Policy shall be interpreted in favour of the Policy Holder and any restrictions or limitations imposed on these Terms and Benefits shall become ineffective, save for the exceptions in Section 7 of this Part 1, Sections 1(b) and 5 of Part 6 and any other exception as may be approved by the Government from time to time.

2. Cancellation within cooling-off period

The Policy Holder may exercise the right of cancellation of these Terms and Benefits with full refund of paid premium during the cooling-off period. The cancellation right is subject to the following conditions –

 - (i) these Terms and Benefits and the Policy Schedule; or
 - (ii) the cooling-off notice;whichever is the earlier. For the avoidance of doubt, the day of Delivery of these Terms and Benefits and the Policy Schedule or the cooling-off notice is not included for the calculation of the twenty-one (21) day period. However, if the last day of the twenty-one (21) day period is not a working day, the period shall include the next working day; and

3. Cancellation

After the cooling-off period, the Policy Holder can request cancellation of these Terms and Benefits by giving thirty (30) days prior written notice to the Company, provided that there has been no benefit payment under these Terms and Benefits during the relevant Policy Year.

The cancellation right under this Section shall also apply after these Terms and Benefits have been Renewed upon expiry of its first (or subsequent) Policy Year.

4. Benefit entitlement

If Eligible Expenses are incurred for Medical Services provided to the Insured Person, the Terms and Benefits applicable shall be those prevailing at the time that such Eligible Expenses are incurred. However, if this Policy has been terminated but Eligible Expenses incurred within a period of thirty (30) days after termination are covered pursuant to Section 15 of this Part 2, the Terms and Benefits applicable shall be those prevailing as at the day immediately preceding the date of termination of this Policy.

5. Assignment

The rights, benefits, obligations and duties of the Policy Holder under these Terms and Benefits shall not be assignable and the Policy Holder warrants that any amounts payable under these Terms and Benefits shall not be subject to any trust, lien or charge.

7. Currency

Any claim for Eligible Expenses made by the Insured Person in any foreign currency shall be converted to HKD at the opening indicative counter exchange selling rate published by The Hong Kong Association of Banks in respect of that foreign currency for the date on which the claim is settled by the Company. If such rate is not available on the date concerned, reference shall be made to the rate as soon as it is available afterwards. If no such rate exists, the Company shall convert the foreign currency at the rate certified as appropriate by the Company's bankers which shall be deemed to be final and binding.

8. Interest

Save as otherwise specified, no benefit and expenses payable under these Terms and Benefits shall carry interest.

9. Company's obligation

The Company shall at all times perform its obligations in this Policy in utmost good faith and comply with the rules and regulations of VHIS, the relevant guidelines issued by the Insurance Authority, and all applicable laws and regulations.

10. Governing law

This Policy is issued in Hong Kong and shall be governed by and construed in accordance with the laws of Hong Kong. The Company and Policy Holder agree to be subject to the exclusive jurisdiction of the Hong Kong courts.

11. Dispute resolution

If any dispute, controversy or disagreement arises out of this Policy, including matters relating to the validity, invalidity, breach or termination of this Policy, the Company and Policy Holder shall use their endeavours to resolve it amicably, failing which, the matter may (but is not obliged to) be referred to any form of alternative dispute resolution, including but not limited to mediation or arbitration, as may be agreed between the Company and the Policy Holder, before it is referred to a Hong Kong court.

Each party shall bear its own costs of using services under alternative dispute resolution.

12. Liability

The Company shall not accept any liability under this Policy unless the terms of this Policy relating to anything to be done or not to be done are duly observed and complied with by the Policy Holder and the Insured Person, and the information and representations made in the Application and declaration are correct. Notwithstanding the above, the Company shall not disclaim liability unless any non-observance or non-compliance with the terms of this Policy, or the inaccuracy of the information and representations made in the Application and declaration, shall materially and adversely affect the interests of the Company.

13. Misstatement of personal information

Without prejudice to the Company's right to declare this Policy void in the case of misrepresentation on health related information or fraud as provided in Section 14 of this Part 2, if the non-health related information of the Insured Person that may impact the risk assessment by the Company (including but not limited to Age, sex or smoking habit) is misstated in the Application or in any subsequent information or document submitted to the Company for the purpose of the application, including any updates of and changes to such requisite information (if so requested by the Company under Section 8 of Part 1), the Company may adjust the premium, for the past, current or future Policy Years, on the basis of the correct information. Where additional premium is required, no benefits shall be payable unless the additional premium has been paid. If the additional required premium is not paid within a grace period of thirty-one (31) days after the due date as notified by the Company to the Policy Holder, the Company shall have the right to terminate this Policy with effect from such due date, in which case Section 15 of this Part 2 shall apply. Where there has been an overpayment of premium by the Policy

Holder, the Company shall refund the overpaid premium.

Where the Company, based on the correct information of the Insured Person and the Company's underwriting guidelines, considered that the application of the Insured Person should have been rejected, the Company shall have the right to declare this Policy void as from the Policy Effective Date and notify the Policy Holder that no cover shall be provided for the Insured Person. In such circumstances, the Company shall have –

- (a) the right to demand refund of the benefits previously paid; and
- (b) the obligation to refund the premium received,

in each case for the current Policy Year and the previous Policy Years in which this Policy was in force, subject to a reasonable administration charge payable to the Company. This refund arrangement shall be the same as that in Section 14 of this Part 2.

The circumstances that a fact shall be considered "material" include, but not limited to, the situation where the disclosure of such fact as required by the Company would have affected the underwriting decision of the Company, such that the Company would have imposed Premium Loading, included Case-based Exclusion(s), or rejected the application. For the avoidance of doubt, this paragraph (a) shall not apply to non-health related information of the Insured Person, which shall be governed by Section 13 of this Part 2; or
- (b) any Application or claim submitted is fraudulent or where a fraudulent representation is made.

The burden of proving (a) and (b) shall rest with the Company. The Company shall have the duty to make all necessary inquiries on all facts which are material to the Company for underwriting purpose as provided in Section 8 or 9 of Part 1.

If this Policy is terminated under Section 3 of this Part 2, the effective date of termination shall be the date as stated in the cancellation notice given by the Policy Holder. The Terms and Benefits applicable shall be those prevailing as at the day immediately preceding the date of termination of this Policy. The Company shall have the right to deduct any outstanding premium under Section 13 of this Part 2 from any benefit payment.

For the avoidance of doubt, where this Policy includes other additional benefits beyond those under the Terms and Benefits of this Certified Plan, removal or downgrading of any such other additional benefits by the Company shall not adversely affect –

- (d) the Terms and Benefits of this Certified Plan which shall continue to be in full force and effect; and
- (e) the continuity of these Terms and Benefits, and shall not adversely affect the Company's compliance with the licensing requirement in order to continue to write these Terms and Benefits.

However, if the Policy Holder or the Insured Person has already recovered all or part of the expenses from any such other insurance coverage, the Company shall only be liable for such amount of Eligible Expense, if any, which is not compensated by any such other insurance coverage.

19. Ownership and discharge under this Policy

The Company shall treat the Policy Holder as the absolute owner of this Policy and shall not recognise any equitable or other interest of any other party in this Policy. The payment of any benefits hereunder to the Policy Holder shall be deemed to be full and effective discharge of the Company's obligations in respect of such payment under this Policy.

20. Change of ownership of the Policy

Subject to the approval of the Company at its discretion, the Policy Holder may transfer the ownership of this Policy by completing the prescribed form and sending it to the Company. The Company shall consider application of transfer of ownership at the time of Policy renewal without any administration charge on the Policy Holder or transferee. The change of ownership shall not be effective until the Company has approved the change and notified in writing to the Policy Holder and transferee. From the effective date of the change of ownership, the transferee shall be treated as the Policy Holder, and the absolute owner of this Policy as described in Section 19 of this Part 2 and be responsible for the payment of the premiums, including any outstanding premiums.

Any amount recovered from any such third party shall belong to the Company to the extent of the amount of benefits which has been paid by the Company in respect of the relevant benefit claim under this Policy. The Policy Holder and/or the Insured Person must provide full details in his possession or within his knowledge on the fault of the third party and fully cooperate with the Company in the recovery action. For the avoidance of doubt, the above subrogation right shall only apply if the third party is not the Policy Holder or the Insured Person.

Any waiver shall not take effect unless it is expressly agreed, and the rights and obligations of the Company and Policy Holder under this Policy shall remain in full force and effect except and only to the extent that they are waived.

26. Compliance with law

If this Policy is or becomes illegal under the law applicable to the Policy Holder or the Insured Person, the Company shall have the right to terminate this Policy from the date it becomes illegal and the Company shall refund the relevant premium paid for the Policy Year in which this Policy is terminated, on a pro rata basis.

1. Cash benefit for designated Day Case Procedures

If Surgeon's fee under Section 3(f) of Part 6 of the Terms and Conditions is payable, in addition to such Eligible Expenses, this benefit shall be payable for any day if the surgical procedure is performed in a setting for providing Medical Services to a Day Patient and is any of the designated Day Case Procedures.

This benefit shall be payable on daily basis regardless of the number of designated Day Case Procedures performed on the same day.

2. Cash benefit for Confinement in lower ward class of a private Hospital (Applicable to Advance and Deluxe plan levels only)

If room and board under Section 3(a) of Part 6 of the Terms and Conditions is payable, in addition to such Eligible Expenses, this benefit shall be payable for each continuous twenty-four (24) hours period during which the Insured Person is Confined in a ward class below the Designated Ward Class as stated in the Benefit Schedule in a Hong Kong and Macau private Hospital.

Any amount payable under this benefit shall be regarded as death benefit proceeds.

4. Accidental death benefit

This benefit shall be payable to the beneficiary upon the death of the Insured Person as a result of Injury caused by an Accident, where such death occurs within ninety (90) days of the Accident.

Any amount payable under this benefit shall be regarded as death benefit proceeds.

The content on this page is part of the Terms and Benefits of Certified Plan (No. F00041).

Part 2 Beneficiary Provisions

The Policy Holder may designate beneficiaries by providing the names of such beneficiaries to the Company together with such other particulars assisting the identification process, and in such a format prescribed by the Company (in the application or in a form provided by the Company). Any such beneficiary designation must be signed by the Policy Holder and filed with the Company.

Unless otherwise provided in this Policy or in a beneficiary designation in effect under this Policy, the following terms and conditions apply:

1. Beneficiary classifications

The beneficiary for any death benefit proceeds under this Policy will be classified as a primary, secondary or final beneficiary as designated by the Policy Holder. Such classification will determine the interest of that beneficiary with respect to such death benefit proceeds. Beneficiaries surviving at the time of the Insured Person's death and in the same beneficiary classification will share equally in the death benefit proceeds payable to the beneficiaries in that classification. If allocation in percentage or proportion is provided in respect of the various beneficiaries of the same beneficiary classification, the said surviving beneficiaries in the said beneficiary classification will then share the death benefit proceeds payable to the beneficiaries in that classification in accordance with the said allocation, and on a pro rata basis (in accordance with the ratio of the allocated percentage or proportion of each of the said surviving beneficiaries) if one (1) or more than one (1) of the beneficiaries predecease the others of the same beneficiary classification at the time of payment of the said proceeds. If only one (1) beneficiary in the same beneficiary classification is surviving at the time of the Insured Person's death, such a beneficiary will be solely entitled to the death benefit proceeds payable to the beneficiaries in that classification.

For the avoidance of doubt, if a beneficiary and the Insured Person die at the same time, or in circumstances rendering it uncertain which of them survived the other, such beneficiary is, for purpose of this Policy, considered to have died before the death of the Insured Person.

2. Payment to beneficiaries

Death benefit proceeds under this Policy will be paid:

- (i) to any primary beneficiaries surviving at the time of the Insured Person's death; or
- (ii) if no primary beneficiary is surviving at the time of the Insured Person's death, to any secondary beneficiaries surviving at the time of the Insured Person's death; or
- (iii) if no primary or secondary beneficiary is surviving at the time of the Insured Person's death, to any final beneficiaries surviving at the time of the Insured Person's death.

3. Death of beneficiary or failure to designate a beneficiary

If no beneficiary under this Policy is surviving at the time of death of the Insured Person or if the Policy Holder fails to designate a beneficiary in accordance with this Part 2, the death benefit proceeds under this Policy will be paid to:

- (i) the Policy Holder if the Insured Person is not the Policy Holder; or
- (ii) the Policy Holder's estate if the Insured Person is also the Policy Holder.

4. Change of beneficiary and appointment and change of trustee

During the Insured Person's lifetime, the Policy Holder, without the consent of any beneficiary or trustee, can from time to time by a declaration in writing in a form prescribed by the Company signed by the Policy Holder and sent to the Company:

- (i) change any prior beneficiary designation or appointment.
- (ii) appoint a trustee to receive the proceeds for any beneficiary if the beneficiary is under Age eighteen (18), and change or revoke any prior trustee designation or appointment.

Once the request for change has been received and successfully recorded by the Company, the Company shall notify the Policy Holder, and the change shall be effective as of the date of the prescribed form signed by the Policy Holder.

5. Receipt a good discharge

A receipt for any death benefit proceeds under this Policy, signed by the beneficiary, beneficiaries, trustee or trustees designated either in this Policy or in accordance with this Part 2, or anyone lawfully entitled to the death proceeds, will be a good and valid discharge of the death benefit proceeds paid by the Company. Such a receipt, which is duly signed will be final and conclusive evidence that such death benefit proceeds have been duly paid to and received by those lawfully entitled to them and that all claims and demands against the Company with respect to them have been fully satisfied.

Part 3 Suicide Provisions

This Part 3 is supplementing Part 7 of the Terms and Conditions. No death benefit will be payable under this Policy if the Insured Person commits suicide, whether sane or insane, within one (1) year of the Policy Effective Date.

SUPPLEMENT FOR BENEFIT CALCULATIONS

This Supplement for Benefit Calculations is attached to and forms part of this Policy. For the avoidance of doubt, the provisions herein are deemed to supplement the Terms and Benefits.

Part 1 Overall benefit limit and benefit payable

1. This Part 1 is supplementing Part 6 of the Terms and Conditions. The benefit amount payable under Terms and Benefits shall be calculated according to the formula below:

$$\left[(A - B) \times C, \text{ subject to the remaining balance of the benefit limits (the benefit limits are as stated in the Benefit Schedule, less the benefit amount(s) previously paid)} \right] \text{ less any remaining balance of Deductible (if applicable)}$$

where:

- A = Amount of Eligible Expenses and/or other expenses payable in accordance with the Terms and Conditions and Supplements, after applying exclusion and before applying the benefit limits
- B = Amount of Eligible Expenses and/or other expenses payable in accordance with the Terms and Benefits already reimbursed under any other insurance coverage or as otherwise described in Section 13 of Part 7 of the Terms and Conditions*
- C = Adjustment factor under Section 3 of Part 1 of the Supplement for Limitations of Benefits (if applicable)

* If there are any Eligible Expenses and/or other expenses payable under the Terms and Benefits already reimbursed under any other insurance coverage or as otherwise described in Section 13 of Part 7 of the Terms and Conditions, such amount shall be reduced from the remaining balance of Deductible in the relevant Policy Year, if applicable.

2. For any benefits payable in accordance with the Standard Plan Terms and Benefits due to the limitations as stated in Section 1(c)(i) of Part 1 of the Supplement for Limitations of Benefits, the benefit amount payable shall be calculated according to the formula below:

$$[(A - B) \text{ subject to } \begin{array}{l} \text{the remaining balance of} \\ \text{the benefit limits (the benefit} \\ \text{limits are as stated in the} \\ \text{benefit schedule attached to} \\ \text{the Standard Plan Terms} \\ \text{and Benefits, less the} \\ \text{benefit amount(s)} \\ \text{previously paid)} \end{array}] \text{ less } \begin{array}{l} \text{any remaining} \\ \text{balance of} \\ \text{Deductible (if} \\ \text{applicable)} \end{array}$$

where:

A = Amount of Eligible Expenses payable in accordance with the terms and conditions attached to the Standard Plan Terms and Benefits, after applying exclusion and before applying the benefit limits

B = Amount of Eligible Expenses payable in accordance with the Standard Plan Terms and Benefits already reimbursed under any other insurance coverage or as otherwise described in Section 13 of Part 7 of the Terms and Conditions#

If there are any Eligible Expenses payable in accordance with the Standard Plan Terms and Benefits already reimbursed under any other insurance coverage or as otherwise described in Section 13 of Part 7 of the Standard Plan Terms and Benefits, such amount shall be reduced from the remaining balance of Deductible in the relevant Policy Year, if applicable.

3. For benefits payable according to the Terms and Benefits (including the Standard Plan Terms and Benefits, if applicable), the actual benefits paid (i.e. after deduction of any remaining balance of applicable Deductible) shall be counted towards the limits of applicable benefit items and Annual Benefit Limit of the relevant Policy Year and Lifetime Benefit Limit as specified under the Benefit Schedule.
4. The benefits payable after applying any adjustment factor as stated in Section 3 of Part 1 of the Supplement for Limitations of Benefits (if applicable) and before applying the remaining balance of Deductible (if applicable) shall not be less than the benefits payable according to the Standard Plan Terms and Benefits. The benefits payable shall be further reduced by any remaining balance of Deductible in the relevant Policy Year, if applicable.
5. For the avoidance of doubt, the applicable Standard Plan Terms and Benefits shall be the version as is referred to under Sections 1(a), (b) or (c) of Part 4 of the Terms and Conditions, with the exception that Section 4 of Part 6 "Benefit Provisions" of the Terms and Conditions shall apply in place of Section 4 of Part 6 of the Standard Plan Terms and Benefits.

Part 2 Reduction of Deductible at specific age

This Part 2 is supplementing Part 6 of the Terms and Conditions.

Upon the Renewal Date when the Insured Person's birthday nearest to such Renewal Date is the fiftieth (50th), fifty-fifth (55th), sixtieth (60th), sixty-fifth (65th), seventieth (70th), seventy-fifth (75th), eightieth (80th) or eighty-fifth (85th), the Policy Holder may submit a written request to the Company within thirty-one (31) days before such Renewal Date to reduce the Deductible of this Policy, without providing further evidence of insurability on the Insured Person. This right can only be exercised once during the lifetime of the Insured Person, subject to the Deductible options available at that time, which must include a zero (0) Deductible option. Upon reduction of the Deductible on the relevant Renewal Date, the premium payable shall include the Standard Premium according to the prevailing Standard Premium schedule adopted by the Company for such Deductible option, and any Premium Loading the Policy Holder has agreed for the Policy. Claims for expenses incurred after such reduction of the Deductible shall be subject to the reduced Deductible from the relevant Renewal Date.

For the avoidance of doubt, the Policy Holder's ability to increase the Deductible is not affected. Upon any Renewal Date, the Policy Holder has the right to request the Company to increase the Deductible, without providing further evidence of insurability on the Insured Person.

SUPPLEMENT FOR HEALTH DISCOUNT

This Supplement for Health Discount is attached to and forms part of this Policy. For the avoidance of doubt, the provisions herein are deemed to supplement the Terms and Benefits. It is supplementing Part 3 of the Terms and Conditions.

Health Discount

If no benefit under these Terms and Benefits has been actually paid in relation to Eligible Expenses and/or other expenses which were incurred during the Relevant Period as defined in the table below, the Company will provide a discount ("Health Discount") on the premium due and payable for these Terms and Benefits for the Policy Year immediately after the Relevant Period. The Health Discount will be equal to the premium due and payable for these Terms and Benefits in the Policy Year immediately after the Relevant Period times the Health Discount Percentage as set in the following table –

Relevant period during which this Policy must remain in force and effective ("Relevant Period")	Health Discount Percentage (%)
Two (2) to four (4) consecutive Policy Years immediately prior to the Renewal Date ("Relevant Period A")	8%
Five (5) or more consecutive Policy Years immediately prior to the Renewal Date ("Relevant Period B")	16%

In the event that any benefit under these Terms and Benefits for a Policy Year that falls in a Relevant Period becomes payable after the Health Discount has been applied to the premium, the Health Discount shall be recalculated for all Policy Years subsequent to the incurrence of Eligible Expenses and/or other expenses in relation to such benefit. The Policy Holder shall repay to the Company the difference between the Health Discount actually provided by the Company and the recalculated Health Discount to be entitled immediately upon the Company's demand.

For the avoidance of doubt, the determination of Health Discount makes reference to the Policy Year in which the Eligible Expenses and/or other expenses are incurred, but not the Policy Year in which an admission to or a discharge from Hospital occurs.

The Health Discount is only offered in respect of either the Relevant Period A or the Relevant Period B, but not both.

SUPPLEMENT FOR BENEFIT LIMIT RESET

This Supplement for Benefit Limit Reset is attached to and forms part of this Policy. For the avoidance of doubt, the provisions herein are deemed to supplement the Terms and Benefits.

This Supplement is supplementing Part 8 of the Terms and Conditions.

Notwithstanding the Annual Benefit Limit as defined in Part 8 of the Terms and Conditions, if the Annual Benefit Limit is reached in a Policy Year, the Policy Holder may notify the Company in writing within 180 days from the issue date of payment advice notifying the Policy Holder the Annual Benefit Limit has been reached to exercise this benefit of resetting the below benefit limits as stated in Benefit Schedule for that Policy Year:

- (a) Annual Benefit Limit;
- (b) the per Policy Year limits of III. enhanced benefits (i), (ii), (v), (vi), (vii), (ix), (xi) and (xv); and
- (c) aggregate benefit limit for Late Stage Cancer within extended territorial scope of cover.

Once exercised, the above-mentioned benefit limits (a), (b) and (c) shall be doubled for that Policy Year. For avoidance of doubt, all claims submitted before the benefit limit reset is exercised and with relevant Eligible Expenses and/or other expenses incurred in that Policy Year will be reassessed based on the doubled benefit limits for the above-mentioned benefit limits (a), (b) and (c) once the benefit limit reset has been exercised.

During the lifetime of the Insured Person, each Policy shall be entitled for this benefit once only.

For avoidance of doubt, after the benefit limit reset has been exercised:

- (i) benefits payable after the reset shall be subject to the Lifetime Benefit Limit; and
- (ii) the Deductible will not be counted afresh to the Policy for that Policy Year.
